ARIZONA CORRECTIONAL INDUSTRIES

A DIVISION OF ARIZONA DEPARTMENT OF CORRECTIONS

MISSION

- ☐ To make available within the state correctional institutions opportunities for employment of inmates in jobs which combat idleness and develop good working habits.
- ☐ To provide training and work experience that will assist inmates in eventually securing and holding gainful employment outside the correctional institution.
- ☐ To reduce the cost to society of maintaining an inmate through the sale of inmate-produced goods and services and by requiring and enabling inmates to pay some portion of their room and board costs.
- ☐ To require and enable inmates to make restitution to the victims of their offenses, so as to assist the inmates in accepting responsibility for the consequences of their acts.
- ☐ To require and enable inmates to provide assistance to their dependents thus tending to strengthen family ties.
- ☐ To require and enable inmates to accumulate savings for their eventual return to the community.

VISION

ACI's compelling vision is to maintain its momentum of successfully accomplishing legislative and departmental objectives while integrating and balancing strategic plans with the necessity to be a purely "customer driven" organization that serves all of its customers as a quantifiable value-added partner.

INSTITUTIONAL FURNISHINGS

The Metal Fabrication Division of ACI manufactures a high-quality line of products for all levels of detention facilities. ACI not only produces a standard line of bunks, benches, tables and seats, but also can produce new designs that can be tailored to fit any architectural requirements.

Besides these standard products, ACI also manufactures fireproof institutional mattresses and hospital mattresses that provide top quality products at a price you can afford. These products are shown in the ACI Bedding Catalog.

Security Cot

All steel welded construction consisting of 1" schedule 40 pipe head and foot ends supporting a 14 gauge, 76"L x 30"w 1-piece bed pan. Overall dimension of product is 78 11/42"L x 30 11/42"w x 30 11/42"h. Finished with an acrylic enamel of customer preference.

MP-4000

Security Cot
(ESW: 45lbs.)

Maximum Restraint Cot

All Steel welded construction consisting of 1" schedule 40 pipe and supporting a 14 gauge, 76"L x 30"w 1-piece bed pan, the maximum restraint cot provides a means of adequately restraining an individual when necessary.

MP-4003

Maximum
Restraint Cot
(ESW: 50 lbs.)

INSTITUTIONAL FURNISHINGS

Stackable Security Cot (with options)

All steel welded construction consisting of: 1" schedule 40 pipe head and foot ends supporting two 14 gauge, 76"L x 30"W 1-piece bed pans. Overall dimension of product is 78 11/42"L x 30 11/42"W x 67 11/42"H. Finished with an acrylic enamel of customer preference.

NOTE: It is the customer's choice to order this product as a single unit, solid welded, or to have the top and bottom detachable.

Available options include:

A ladder constructed from 1" square tubing 38 11/42"L x 12"W can be mounted between the bed pans.

NOTE: Adding the ladder to the unit at the factory, requires cot to be welded solid at factory.

T.V. stands (10 ga steel 18" x 30") mounted on top of the upper bunk bed end and on the uprights for the lower bunk.

NOTE: This option increases the overall height of the bunk unit to 74".

MP-4090 Stackable Security Cot
(ESW: 95 lbs.)

MP-4090D Stackable Security Cot With Drawers
(ESW: 145 lbs.)

Ladder

All steel welded construction consisting of: 1" x 1 11/42" x .083" rectangular tubing side rails and three 1" x 1" x .083" x 15" rungs on 12 11/416" centers. The overall dimensions of this product are 17"W x 44"H. Finished with an acrylic enamel of customer preference.

MP-4090B Ladder
(ESW: 17 lbs.)

Did you know . . .Part of the task of manufacturing furnishings for institutions is the ability to develop customized products for specific needs. Arizona Correctional Industries understands the specialized needs of institutions and has developed products which will meet a variety of requirements.

3-Tier Bunk

A one-piece bunk unit similar in construction to the MP4090 Stackable Double Bunk. A third bed pan is added which increases the overall dimensions to 78 11/42" L x 31" w x 76" h but still maintains a clearance of 30" between the lower and middle bed areas. The bottom pan is 10" above the floor. A ladder constructed of 1" square tubing that spans the space from the lower to top bunk and two rails 6" x 40" constructed from 1 1/42" pipe attached to the center of the top pan are added for safety. Welded to the underside of the bottom bed pan are three 20" x 32" x 8" storage shelves constructed from 14 gauge sheet steel.

MP-5000 Triple Bunk Bed (ESW: 150 lbs.)

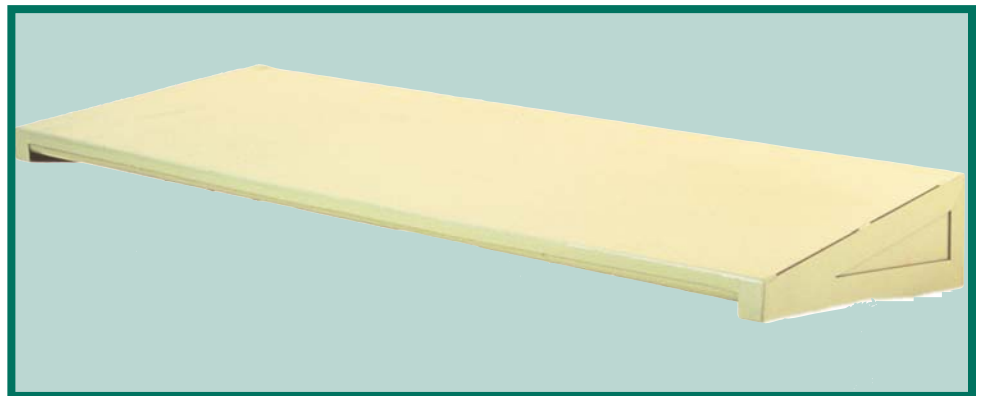

Bunk Bed

All steel welded construction consisting of a 1 1/48" x 2" x 2" angle iron bed ends and frame, with 16 gauge steel bed pans welded to frame. Overall dimensions are 76" L x 30" w x 60" h. The product is finished with an acrylic enamel of customer choice.

MP-4020 Bunk Bed (ESW: 95 lbs.)

Wall-Hung Bunk

All steel welded construction consisting of 1 1/42" schedule 40 pipe front end supported by a 2" x 2" and 2" x 2 1/42" 3 1/416" angle iron frame. 76" L x 30" w 1 piece bed pan. Mounting brackets with equipped 9 1/416" slotted holes for mounting the unit to the wall, are welded to each end of the bed frame. Overall dimension of product is 78 11/42" L x 30 11/42" w x 30 11/42" h. Finished with an acrylic enamel of customer preference.

MP-4070 Wall-Hung Bunk (ESW: 130 lbs.)

Wall-Hung Bunk w/TV Stand

All steel welded construction consisting of: 2" x 3" x 3 1/416" rectangular tube frame supporting a 12 gauge sleeping surface with mattress retainer. The overall dimension of the bed is 86" L x 32" w x 3" h. A 12 gauge, 32" w x 16 31/44" h x 15 11/42" d television shelf is attached to the foot end of the bed. The bed is available in either a right-hand or left-hand orientation and is finished with an acrylic enamel of customer preference.

MP-4161 Wall-Hung Bunk w/TV Stand (ESW: 225 lbs.)

INSTITUTIONAL FURNISHINGS

Standard Wardrobe with Desk/Desk Bracket MP-4155

(available separately as: MP4154 WR, MP4153 Desk, 5152 Desk Bracket)

This product consists of three individual items which are connected on-site to include:

MP-4154 Wardrobe, all steel welded 14 gauge construction, available in either a right-hand or left-hand orientation, contains a 44"L x 15"h open storage area, and a 28"L x 36" storage area, with two shelves secured with a lockable hinged door. Desk mounting tab is attached. Finished with an acrylic enamel of customer preference. Overall dimensions: 72"L x 36"h x 10"d.

MP-4153 Desk, all steel 12 gauge 30"w x 18"d writing surface, 1" flange at front and rear of desk. Finished with an acrylic enamel of customer preference.
